

## Group Subscriptions

To determine which group subscription option apply to you/your organization, see the chart which is available for download from <http://www.organicstandard.com/subscriptions.htm>

The Organic Standard offer group subscriptions according to the following conditions:

### Alternative 1:

The subscriber get a license for a decided number of issues and distributes copies internally.

The distribution is only allowed for persons within the subscribing organisation (**employees, owners, members of the Executive Board**). No resale may take place. The subscriber must declare who the group subscribers are by sending in a list of names to Grolink AB.

The database on [www.organicstandard.com/databas](http://www.organicstandard.com/databas) and on [www.tosgalleries.net](http://www.tosgalleries.net) is open to subscribers of The Organic Standard. For group subscribers with alternative 1 the database is open only for the person who has the basic subscription.

265 € for the **Basic subscription**  
15 € for the **Additional licences 1-9**  
8 € for the **Additional licences 10 and more**

Cost example: Group subscription for 14 persons (1 Basic subscription + 13 additional licenses):

Group subscription alt. 1

The subscriber gets a license for a decided number of issues and distributes copies internally.

	Article database access (x = yes)		
265 € for the Basic subscription	x	265	€
15 € for the Additional licences 1-9	---	135	€
8 € for the Additional licences 10 and more	---	32	€
		432	SUM (€)

### Alternative 2:

The subscriber gets a license for a decided number of issues and Grolink AB distributes copies to the declared e-mail addresses: The distribution is only allowed for persons within the subscribing organisation (employees, owners, members of the Executive Board). No resale may take place.

The database on [www.organicstandard.com/databas](http://www.organicstandard.com/databas) and on [www.tosgalleries.net](http://www.tosgalleries.net) is open to subscribers of The Organic Standard. For group subscribers with alternative 2 the database is open for all group subscribers.

265 € for the **Basic subscription**  
25 € for the **Additional licences**
